

**AMENDED ADMINISTRATIVE ORDER MODIFYING THE CASELOAD FOR
SUBDIVISION 41-3 IN THE DOMESTIC RELATIONS DIVISION OF THE
CIRCUIT COURT IN ORANGE COUNTY**

The Circuit and County Courts are organized into divisions for more efficient case and records management and caseloads in each division are identified by numbered subdivisions to facilitate the exchange of caseloads when changes of division assignment occur. For the sake of judicial economy and to prevent confusion, occasionally subdivisions may need to be deactivated, new subdivisions created, and existing subdivisions caseloads modified.

By the power vested in the chief judge under Article V, section 2(d) of the Florida Constitution, section 43.26, Florida Statutes, and rule 2.215 of the Florida Rules of General Practice and Judicial Administration, **effective January 1, 2022**, unless otherwise provided herein, to continue until further order and superseding any provisions in prior Administrative Orders which may be inconsistent, it is **ORDERED**:

Following a careful review of case filings and caseloads, the Subdivision 41-3 caseload shall be modified as follows:

The Clerk of Court shall continue to randomly assign one case of all newly filed domestic relations cases to Subdivision 41-3 for every two newly filed domestic relations cases assigned to each of the other domestic relations subdivisions. The remainder of the caseload for Subdivision 41-3 shall consist of domestic relation cases with active injunctions. These cases will be identified by the domestic relation judges and assigned to Subdivision 41-3 via individual transfer orders.

Administrative Order 2019-07-01 is vacated and set aside except to the extent that it has been incorporated and/or amended herein. Vacating an Administrative Order that vacates a prior Order does not revive the prior Order.

DONE AND ORDERED at Orlando, Florida, this 27th day of December, 2021.

Lisa T. Munyon
Chief Judge
